17. A Registrar may, of his own motion, correct, in manner prescribed in section 23 of the Act, any error in form made in an entry of a birth or death in a register of births or register of deaths kept by him under the Act.

In every case in which an entry is corrected under this rule, intimation thereof shall (if practicable) be communicated, within one week from the date of the correction being made, to the person who gave the notice of the birth or death.

18. Where an error in substance in any entry of a birth or death in a register of births or register of deaths is asserted to have been made, the Registrar may correct the error, in manner prescribed in section 23 of the Act, on application made in writing, and signed in the presence of two witnesses attesting the signature, by any person authorized under section 20 or 21, as the case may be, to give notice of the birth or death to which the entry relates:

Provided that the Registrar is satisfied that the application is well founded and that he places on record a memorandum of the evidence on which his opinion is based.

An appeal against an order of a Registrar under this rule refusing to correct an asserted error in any entry in a register shall lie to the Registrar General, who may, in his discretion, either confirm the order of the Registrar, or direct him to correct the error.

*Fort St. George, February* 25, 1914.

*No.* 14.—In exercise of the power conferred by section 5 of the Indian Explosives Act, 1884 (IV of 1884), the Governor in Council is pleased, with the previous sanction of the Governor-General in Council, to make, in supersession of all rules previously issued on the subject, the following rules for regulating the landing and shipment of explosives at the port of Madras:—

RULES FOR REGULATING THE LANDING AND SHIPMENT OF EXPLOSIVES AT THE PORT OF MADRAS.

CLASSIFICATION.

The classification of explosives referred to in these rules is that laid down in Government of India, Department of Commerce and Industry, Notification No 4555-4, dated the 31st May 1907, as amended by Notification No. 4636-4, dated the 9th July 1910. The rules to regulate the transport of explosives made by the Governor-General in Council, published under the notification just referred to, shall, subject to the following rules, apply to the transport of explosives—other than those mentioned in section 14 of the Indian Explosives Act IV of 1884—within the limits of the port of Madras:—

THE SHIP-MASTER'S DUTY.

*Rule* (*a*).—The master of any vessel arriving at the port of Madras with explosives on board as cargo shall give immediate notice thereof to the pilot, or harbour master, who shall come on board such vessel.

DUTY OF THOSE INTERESTED IN CARGO ARRIVING.

*Rule* (*b*).—The agents of any vessel expected to arrive at the port of Madras and known to have explosives on board as cargo, and the consignee or consignees of, and other person or persons interested in, such explosives so expected to arrive by any vessel at the port, shall give notice of the fact of such explosives being on board such vessel to the Chairman of the Port Trust Board not less than 48 hours before the arrival of such vessel.

DUTY OF THOSE INTERESTED IN CARGO FOR SHIPMENT.

*Rule* (*c*).—The agents or consignor or consignors of, or other person or persons interested in, any explosives intended to be shipped as cargo on board any vessel in the Port of Madras, shall give notice to the Chairman of the Port Trust Board of his or their intention to ship such explosives by such vessel, 48 hours before any such explosives shall be shipped.

THE CHARACTER OF THE NOTICE PRESCRIBED IN RULES (*b*) AND (*c*).

*Rule* (*d*).—Every such notice shall be in writing and shall contain a statement showing the quantities and nature of the explosives to be landed at, or shipped from, Madras or to be landed for reshipment, and specifying, in the case of shipment or reshipment, the port or ports for which such explosives are intended.

OBLIGATION OF THE PORT TRUST

*Rule* (*e*).—Upon receipt of any such notice, the Chairman of the Port Trust Board shall depute an officer to take charge of such explosives, at the place where they are to be landed, and until they shall have been removed from the Board's premises for deposit in the magazine on shore appointed for that purpose; or in cases where explosives are to be exported, until they shall have been shipped to the vessel named in such notice.

EXPLOSIVES NECESSITATING THE USE OF OUTSIDE MOORINGS.

*Rule* (*f*).—Vessels carrying explosives of the undermentioned classes shall be berthed at an outside mooring:—

Class 1, Gunpowder, exceeding 6,000 lb. in weight;
" 2, Nitrate mixture, exceeding 6,000 lb. in weight,
" 3, Nitro-compound, Division 1, except cordite not exceeding 6,000 lb. in weight;
" 3, Nitro-compound, Division 2, except—
(*a*) Gunsolton, wet;
(*b*) Schultz's and E.C. powder, and other sporting explosives of this class in tins not exceeding 6 lb. in weight each, subject to a limit of 6,000 lb. by any one vessel;
" 6, Ammunition, Divisions 2 and 3;
" 7, Division 2, manufactured fire-works.

Such vessels may, however, be allowed to enter the harbour, provided that the explosives are contained in a properly-constructed magazine and provided such magazine is kept closed while the vessel is inside the harbour.

*Explanation.*—"Properly-constructed magazine" for the purpose of this and the following rules means and includes a magazine fitted with flooding valves, light boxes, ventilators, and in every respect similar to those constructed in vessels of the Royal Navy and Royal Indian Marine according to the Admiralty specifications, and surveyed by any Government surveyor in England or approved by the Deputy Conservator of the Port of Madras.

EXPLOSIVES WHICH MAY BE HANDLED WITHIN THE HARBOUR.

*Rule* (*g*).—Vessels carrying explosives of the undermentioned classes, intended for discharge at Madras, may be moored inside the harbour, provided such explosives are contained in a properly-constructed magazine; and the explosives may be carried by lighter between vessel's side and places on the harbour structure allotted for the purpose from time to time by the Port Trust Board:—

Class 1, Gunpowder, not exceeding 6,000 lb. in weight;
" 2, Nitrate-mixture, not exceeding 6,000 lb. in weight;
" 3, Nitro-compound, Division 1, cordite, not exceeding 6,000 lb. in weight;
" 3, Nitro-compound, Division 2—
(a) Gunsettton, wet;
(b) Schultz's and E.C. powder and other sporting explosives of this class in tins not exceeding 5 lb. in weight each, subject to a limit of 6,000 lb. by any one vessel;
" 8, Ammunition, Division 1.

UNRESTRICTED EXPLOSIVES.

*Rule* (*h*).—Explosives comprising the first two items of Division 1 of Class 6, namely, safety cartridges and safety fuses for blasting, may be treated in all respects like ordinary combustible cargo. They need not be kept in a magazine while on board ship within the harbour, and may be landed or shipped at any place indicated by the Port Trust Board for the handling of combustibles.

DISCHARGING THE EXPLOSIVES DEALT WITH IN RULE (*f*).

*Rule* (*i*).—Vessels referred to in rule (*f*), when discharging their explosives, must be moored outside the harbour entrance, at one of the outside berths, at anchor, or otherwise, as the Port Trust Board may direct. Lighters carrying the explosives of vessels so moored may discharge only at such point or points as the Board may direct—ordinarily at a place outside the enclosed harbour. In the event of a vessel arriving in rough weather, when in the opinion of the Chairman of the Port Trust Board the discharge of explosives at one of the outside berths would be attended by danger, he may give special permission to discharge the explosives at a berth inside the harbour and to land them at such places and under such conditions as he may see fit to direct.

SHIPPING THE EXPLOSIVES DEALT WITH IN RULE (*f*).

*Rule* (*j*).—The explosives referred to in rule (*f*) must be shipped or transhipped at one of the outside berths, but may only be loaded into boats at places indicated by the Port Trust Board and under such conditions as the Chairman of the Board may see fit to impose.

EXPLOSIVES INTENDED FOR OTHER PORTS THAN MADRAS.

*Rule* (*k*).—Vessels carrying explosives of the following classes, intended for discharge elsewhere than at Madras, may enter the harbour, provided that such explosives are contained in a properly-constructed magazine as defined in rule (*f*) and provided that such magazine is kept closed while the vessel is inside the harbour:—

Class 1, Gunpowder class.
" 3, Nitro-compound class
" 6, Ammunition class.

SMALL QUANTITIES OF EXPLOSIVES.

*Rule* (*l*).—Nothing in rules (*f*) to (*k*) shall apply to a vessel carrying explosives of a less weight than 25 lb. in all.

SEPARATION OF CERTAIN CLASSES OF EXPLOSIVES.

*Rule* (*m*).—Any explosive of the 5th (Fulminate) class, or any explosive of the 6th (Ammunition) class which contains its own means of ignition, or any explosive of the 7th (Fireworks) class, shall not be conveyed in any ship or boat with any explosive not of the class and division to which it belongs, unless it be separated therefrom to prevent any fire or explosion which may take place on any such explosive being communicated to the other explosives.

EXPLOSIVES EXCLUDED FROM THE HARBOUR ABSOLUTELY.

*Rule* (*n*).—The following explosives are absolutely excluded from the harbour:—

Class 4, Chlorate mixture;
" 5, Fulminate;
" 7, Fireworks, Division 1.

SIGNALS AND PRECAUTIONS WHILE AT THE PORT.

*Rule* (*o*).—Whilst any explosives remain on board any vessel at the port of Madras, whether outside or inside the harbour, a red flag shall be kept flying at the foremost head between sunrise and sunset and the port signal provided for the purpose, viz., a white light over three red lights hoisted in a vertical line one over the other not less than three feet apart, between sunset and sunrise. The master or chief officer shall remain on board until the explosives intended for Madras shall have been discharged. Every ship or steamer in the harbour carrying explosives shall be moored at a distance of not less than fifty yards from every other ship or steamer in the harbour.

PRECAUTIONS AGAINST SPARKING.

*Rule* (*p*).—The master of every vessel receiving or discharging explosives shall see that the platform in the vessel's hold to be used in receiving or delivering such explosives, and the gangways and coamings of the hatchways of such vessels, are covered with tanned hides or other suitable paddings, that the barrels or boxes containing any such explosives and received on board any such vessel are carefully stowed therein, that the hatches of such vessels are properly secured and locked, and that the key of the magazine in which any such explosives may be stowed remains in his own possession. All persons concerned in the handling, or in supervising the

handling, of any such barrels or boxes of explosives shall wear suitable shoes without any metal nails or other metal in or upon them, or shall wear no shoes.

PRECAUTIONS ON LIGHTERS, BARGES AND BOATS.

*Rule* (*q*).—Barges, lighters and boats about to be used for the transport of any explosives shall be kept scrupulously clean and free from loose explosives, and shall not, when at anchor with explosives on board, lie closer than one cable's length or 200 yards from any of the shipping in the port or from any public landing place, and all explosives in any such barges, lighters or boats shall be securely covered with tarpaulins. Whilst any such explosives shall remain on board, a red flag shall be kept flying on every such barge, lighter or boat between sunrise and sunset and, in addition to the regulation anchor-light, a red light in an elevated position shall be shown from any such barge, lighter or boat between sunset and sunrise. No fires, smoking or matches shall be allowed on board any such barge, lighter or boat, nor any light of any kind except the red light mentioned above—except in the case of properly-decked barges on the deck of which may be allowed one lantern of good pattern. Kerosine or other easily ignited oil is not to be used for the above-mentioned lights. The tindal and at least half of the crew of every such barge, lighter or boat shall remain on board until all its explosives shall have been discharged.

CONDITIONS FOR LANDING FROM BOATS AT THE APPOINTED PLACES.

*Rule* (*r*).—All barges, lighters and boats, having explosives on board to be landed at any of the landing places appointed by the Port Trust Board, shall remain off those places until orders to approach shall be received from the officer directing the landing. Not more than two boats, or at the discretion of the officer directing the discharge four boats, shall unload simultaneously.

PRECAUTIONS ON THE VESSEL WHILST EXPLOSIVES ARE BEING LANDED OR SHIPPED.

*Rule* (*s*).—Explosives which may be landed or shipped inside the harbour under rule (*g*), if properly packed as required by rule 9 of the rules issued by the Governor-General in Council under section 5 of the Indian Explosives Act, 1884, may be shipped on board, or discharged from, a vessel lying at the ordinary moorings within the harbour. Such shipment or discharge shall be effected under the precautions and conditions mentioned and contained in these rules, and such explosives must be taken on board the vessel for which they are intended immediately after the boat carrying such explosives has come alongside. No cargo boat or other vessel having fire on board shall be allowed to lie nearer than one cable's length or 200 yards from such vessel during the time that any explosives are being shipped. All other cargo work on board such vessel shall be stopped while such shipment or discharge is taking place.

PRECAUTIONS IN THE MATTER OF FIRES.

*Rule* (*t*).—When explosives—other than those mentioned in class 6, division 1, of the rules made by the Governor-General in Council under section 5 of the Indian Explosives Act, 1884—are shipped or discharged within the Madras port limits, no smoking of tobacco will be permitted on board the vessel on which they are being shipped or from which they are being discharged and all fires and lights on board shall be extinguished before the barge, lighter or boat bringing such explosives for shipment, or receiving such explosives to be landed, shall come alongside of such vessel. In the case of a steamer should it be necessary that the fires in her engine room should remain lighted, the barge, lighter or boat so bringing or receiving such explosives shall be placed to the windward of the steamer's funnel, and in the event of the steamer swinging, such explosives must be covered with tarpaulins until such barge, lighter or boat is removed to a safe and proper position.

HOURS OF WORKING.

*Rule* (*u*).—No explosives other than those mentioned in class 6, division 1, of the rules made by the Governor-General in Council under section 5 of the Indian Explosives Act, 1884, shall be discharged from a ship or may be shipped from the shore before 5-30 A.M. or after 4 P.M.

RESTRICTIONS ON THE OPENING OF MAGAZINES.

*Rule* (*v*).—Except in cases of emergency no magazine on board of any vessel containing explosives, other than safety fuzes, safety cartridges and caps, shall be opened while the ship is inside the harbour, without the permission of the Port Trust Board. But if such magazine should be opened and, in the opinion of the Board, the emergency was not such as to justify the master of the vessel in opening it or allowing it to be opened, he shall be deemed to have contravened this rule. Such magazine shall remain open only for the time required to remove or stow explosives, and that operation shall always be performed in the presence of an officer of the ship.

PASSAGE OF EXPLOSIVES THROUGH HARBOUR PREMISES.

*Rule* (*w*).—So far as they are applicable, the Government of India rules numbered 11 to 13, headed "Mode of conveyance," as laid down in Department of Commerce and Industry notification No. 4555-4, dated 31st May 1907 (or as modified by subsequent notifications), shall apply to the conveyance of explosives through Madras harbour premises, whether by boat, by cart or by rail.

FINE FOR CONTRAVENTION OF RULES.

*Rule* (*x*).—If any person shall contravene any of the foregoing rules, he shall, on conviction by a Magistrate, be punished with fine which may extend to one thousand rupees.

W. O. HORNE,
*Ag. Chief Secretary.*
